End of Sale Statement

June 2020

Barrett Communications is announcing the end of sale of the 500 Hz Crystal Filter with the following rationale and way forward.

The 500 Hz Crystal Filter has been discontinued as it applied to a previously discontinued Barrett product which was an option for the 2050 HF SSB Transceiver. There will not be a replacement for this product.

Effective immediately, manufacturing will cease and no further orders can be accepted for the 500 Hz Crystal Filter.

Customers interested in the 500 Hz Crystal Filter are recommended to speak with their Business Development Managers about the 4050 HF SDR Transceiver.

Discontinued Product Part Number

500 Hz Crystal Filter

(Part #: BCA20502)

Barrett Communications will continue to provide spares, service and technical support for the 500 Hz Crystal Filter in accordance with our warrant statement and ISO accreditation.

No further feature development will be made to the 500 Hz Crystal Filter.

Please contact Barrett Communications for more information.
