

End of Sale Statement

14th September 2018

Barrett Communications is announcing the end of sale of the Barrett PRC-2080 VHF Tactical radio system with the following rationale and way forward.

In 2016, Barrett launched the upgraded PRC-2080+ VHF Tactical radio system, which due to the additional features, superseded the PRC-2080 VHF Tactical radio system. Over the last 18 months Barrett Communications have continued to manufacture both the PRC-2080 and PRC-2080+ systems for customers.

Effective immediately, manufacturing will cease and no further orders can be accepted for the Barrett PRC-2080 VHF Tactical radio system.

Customers interested in the Barrett range of VHF radio systems are recommended to speak with their Business Development Managers about the PRC-2080+ VHF Tactical radio system.
